Dear Brady Families,

This letter is being sent to families of all Brady seniors. Please understand that it does not confirm eligibility for graduation, it is simply to give you details of the graduation ceremony, should your student complete all required work on time. If you have any concerns or questions about your student's eligibility, please contact their counselor as soon as possible.

- In order for your student to receive his/her diploma, all fees and fines must be paid. If your student has outstanding fees either at Brady or a previous school, please call Sharon Gouette in the main office, 303-982-9237 to pay or create a payment plan.
- There will be Spanish translation available for families. Please stop by the booth in the lobby for the necessary equipment in order to utilize this service.
- Please note that parents and families are not allowed on the field and/or stage. Please do not enter these areas to take photos at any time.
